1. The Auto-Praga Automobile Factory, national enterprise, in Prague-Vysocany employs about 3,500 workers including about 500 office workers. The plant militia consists of about 200 men. This plant produces type RND 3½-ton Diesel trucks, RN 3½-ton gasoline-powered trucks, A-150 3½-ton gasoline-powered trucks and busses. Monthly output is as follows:

RND type truck	150 to 170
RN type truck	180 to 200
A-150 type truck	about 150
Busses	about 40

2. About half of the production is exported to satellite countries; the other half is for the Czech army, nationalized industries and civilian use. It is planned that the production of seven-ton trucks will be started.
